Alaska Department of Labor and Workforce Development

Now Hiring

Employment Security Analyst 3 in Juneau (PCN 07-5928)

In this permanent, full-time position, you will join a team of analysts and coordinators to provide technical support for Workforce Innovation and Opportunity Act and statewide employment and training programs. Your primary focus will be on Business Connection services which allow Alaska's employers to connect with skilled job seekers, as well as developing and delivering training on a variety of platforms. This job comes with full benefits including healthcare and paid leave. Enjoy scenic views and ample free parking a short walk from dining, shopping, and parks too!

Minimum qualifications:
One year of experience working as an Employment Security Analyst 2, or two years supervising an Employment Services or Unemployment Insurance program service delivery unit, or two years working as an Employment Security Analyst 1, Employment Services Technician 2, Unemployment Insurance Technician 2, UI Quality Control Auditor, Field Auditor 1, or Investigator 2 with the State of Alaska **or their equivalents elsewhere.**

For specific job information, email
andrea.mogil@alaska.gov

Recruitment ends at 5 p.m. October 10, 2022.
