## for Employment Services Technician II position in the Anchorage Midtown Job Center Business Connection

**W**e are recruiting for an Employment Services Technician II position located at the Anchorage Midtown Job Center Business Connection. The Business Connection is a specialized unit of the Alaska Department of Labor and Workforce Development job centers with the mission of meeting the workforce development needs of Anchorage and Alaska businesses, while promoting job and career opportunities for Alaska Residents.

- Do you enjoy assisting businesses in finding solutions to their workforce development needs?
- Do you enjoy marketing services and programs to employers?
- Do you thrive in a work setting based on achieving and exceeding specific performance measures?
- Do you enjoy participating in networking and outreach opportunities?
- Would you like working in an award winning business unit, and be willing to commit yourself to helping the unit maintain that level of performance?

### If so, we want you on our team!

#### Additional key experience and duties:

- High comfort level for employer outreach
- Excellent interpersonal skills
- Ability to work independently
- Proven self-starter
- Serving as Industry Lead for high growth industries
- Superior marketing and customer service skills
- Serving as primary liaison between business community professionals, and job center business services
- Fostering and developing working relationships and cooperative agreements with partners

Apply on **Workplace Alaska** (Job Order 11069). **Recruitment closes May 23, 2016.**
