

Hiring Part-Time Product Demonstrators!

Have you ever been to Costco and received a free sample? If so, it's likely come from one of our employees. For more than 25 years, **Club Demonstration Services (CDS)** has helped Costco members make shopping decisions and shaped the identity that Costco is perhaps best known for: its awesome free samples!

If you have worked in food services, the retail industry or customer service and enjoy interacting with customers, we want you to join our team as a part-time **Product Demonstrator**.

If you are interested in exploring an opportunity with us, please email your resume to cdswhs10@clubdemo.com (Anchorage – West Dimond Boulevard) or cdswhs63@clubdemo.com (Anchorage II – DeBarr Road)
