

United States Census Bureau 2019 Recruiting

Field Representatives in Fairbanks

\$17.76 per hour plus COLA

Plus .58 cents per mile driving to and from an assignment

Flexible hours! Interesting work! Help your community!

Positions are available to conduct Census Bureau surveys on a variety of vital issues such as health, housing, income, and crime. Field representatives interview at randomly selected addresses, usually using a laptop computer. The number of hours worked each week may range from 25-40 hours, depending on the workload in the assignment area. The best time to interview is on the weekends and evenings.

This is an ideal job for a self-starter who is organized and who enjoys meeting and talking with people. While most people are cooperative, some respondents require our interviewers to be skilled salespeople - that is, to "sell" them on the importance of the survey.

Minimum Requirements:

- Be at a minimum, 18 years of age, a citizen of the United States and present proof of identity and employment eligibility
- Valid driver's license and reliable vehicle to use in completing assignments
- Must successfully pass a criminal background check
