

Fairbanks Job Center offers

WorkKeys Assessments

WorkKeys is a job skills assessment system that helps employers select, hire, train, develop and retain a high-performance workforce. It is offered starting at 1 p.m. every Monday. Contact the job center to register!

- Each test — Reading for Information, Applied Math and Locating Information — is timed at 55 minutes. Complete all three with a score of three or higher and earn a National Career Readiness Certificate.
- Practice **prior** to taking the WorkKeys assessment is strongly encouraged in order to meet the optimum level.
- Please ask a job center representative for a username and password for the online tutorial — KeyTrain/Career Ready 101. You can practice on any computer that has Internet. Or ask about receiving a copy of the WorkKeys Prep Packages via email.
