# CLASSROOM ETIQUETTE ON ZOOM!

Be on time!

Participate. Learning is not a spectator sport.  
😊

Make sure you are muted unless you are talking

Please silence your phone and take a break from calls and texts during class

Avoid distracting others: eating, dress, etc.

Respect confidentiality: what is said here stays here. This is not recorded and no one should be recording it.

This classroom space is drug and tobacco free, just as our face to face classroom is.

Enjoy a (non-distracting!) fidget toy to keep your hands busy! This is a lot of sitting. 😊
