Alaska Earthquake Center is hiring a Field Operations Manager in Fairbanks. We seek an individual with the talent to manage a well-coordinated team of a half-dozen professional staff. The team’s diverse skills include instrumentation, engineering, remote field operations, networking and new technologies.

This position is full-time, Grade 81, term-funded, exempt, 12-month position complete with a competitive salary and University of Alaska employee benefits package. New hires will be placed on the UA staff salary schedule, based on education and experience.

UA is an AA/EO employer and educational institution and prohibits illegal discrimination against any individual: alaska.edu/nondiscrimination
