Worley Field Services Inc.

NOW HIRING

Overhead Door Tech Level 2 (#578961) in Prudhoe Bay

Responsible for the installation, maintenance and preventive maintenance of various styles of commercial industrial doors and door operating systems, primarily overhead doors. The position is located on the North Slope and requires a rotational work schedule. Relocation assistance to Alaska is not provided; however, transportation between Anchorage and Prudhoe Bay is provided. Room and meals are provided while in Prudhoe Bay.

Minimum qualifications:
- One (1) year of experience installing commercial/industrial overhead doors
- High school diploma or equivalent (GED)
- Valid driver’s license including ability to be insured by Worley auto insurer
- Worley can provide North Slope Training Cooperative (NSTC) certification training if needed

Preferred qualifications:
- Three (3) years of experience installing commercial/industrial overhead doors
