NOW HIRING

Unemployment Insurance Technician 1 (Multiple PCNs) in Anchorage

Hourly pay: \$24.65

You will be working in a claim center environment answering phone calls from the public to assist with their Unemployment Insurance (UI) claims and making benefit eligibility decisions. You will be provided

up to 12 weeks of in-class paid training to help you acquire the knowledge and skills to process UI claims accurately, timely and independently.

This is a permanent, full-time seasonal position. These positions are subject to leave

without pay for a minimum of four (4) weeks in a calendar year and you will be provided with a definite date to return back to work; seasonal leave is typically during the summer months (May-September) to provide an opportunity to enjoy the long summer days.
