

ALASKA DEPARTMENT OF LABOR
& WORKFORCE DEVELOPMENT

Municipality of Anchorage NOW HIRING

Body Shop Repair Technician in Anchorage

Range 17 | IBE TECH | Regular, full time
Pay: \$34.50-\$40.03 hourly

Description: You'll be responsible for inspecting, documenting, and repairing buses, light-duty vehicles, and equipment that have been damaged or worn down over time. This includes fixing bumpers, windows, body panels, flooring, and other parts, as well as repairing or straightening frames. You'll also do some painting to give repaired areas a professional finish. Welding (MIG, TIG, and oxygen/acetylene) and fabricating parts will also be part of your role. You'll use software to track repairs, order parts, and estimate repair costs for vehicles involved in accidents. Your toolkit will include various hand and power tools, and you will need to bring your own standard tools. Building a positive, safe, and collaborative work environment with your team is key. You'll also keep the shop clean and stay on top of your schedule. And of course, you may take on other tasks as needed.

Health/medical benefits: Medical, dental, vision, audio and life insurance. **Employer-paid benefits:** Employee Assistance Program, Paid Leave Plan, 11 paid holidays.
