**COMMUNITY & TECHNICAL
COLLEGE**
UNIVERSITY of ALASKA FAIRBANKS

CURRENTLY RECRUITING FOR:

**TERM ASSISTANT PROFESSOR OF
DIESEL / HEAVY EQUIPMENT AND AUTOMOTIVE TECHNOLOGY**

UAF Community & Technical College is looking for an innovative Term Assistant Professor to support both our Diesel/Heavy Equipment and Automotive Technology programs. Teaching assignments may be during day, evening and/or weekend periods, may include off-campus and rural assignments and may include seminars and other special trainings. This position is term funded through June 30 and is reviewed annually for contract renewal at the University's discretion.

Both of the programs emphasize hands-on training and in-class experience.

To thrive in this role, you will be SAE certified and recognized by our industry partners as having the ability to teach the required courses in a competent and safe manner. Your recent experience in the automotive field (10 years or more) as well as with diesel / heavy equipment instruction or maintenance will be used on a daily basis as you prepare your students for success.
