

Silver Bay Seafoods NOW HIRING

Fleet Mechanic at various locations

As the Fleet Mechanic, you will be a vital member at one of our Alaskan processing facilities responsible for maintaining and repairing the fleet of vessels owned by a seafood processing plant. This role involves diagnosing mechanical and electrical issues, performing routine maintenance tasks, conducting safety

inspections, and troubleshooting breakdowns. As the Fleet Mechanic you must have a strong understanding of marine engines, hydraulic systems, and electrical components. Additionally, you will need to be able to work independently and as part of a team to ensure the fleet's optimal performance and reliability.

Or provide a resume online at alaskajobs.alaska.gov by searching for "681710"

Education and experience:

- High School Diploma/GED or equivalent is preferred.
- HD truck technical training

or 2-plus years related experience.

- Previous seafood or manufacturing industry

experience is preferred.

- Current and valid commercial driver's license and DOT Certification required.
