

# FREE TRAINING CARPENTRY FAIRBANKS

## Key Training Topics Include:

- Carpentry & Trades Math Basics: Learn accurate measuring skills and apply math concepts through hands-on projects.
- Tool Use & Safety: Practice using hand tools and power tools safely, including hammers, saws, and circular saws.
- Hands-On Drywall Project: Cut drywall to fit wood shapes, building precision and confidence.
- Saw Skills & Wood Projects: Use a worm drive circular saw to cut angles and build a footstool.
- Build Stairs with Math: Apply math skills in a real-world project—constructing wood stairs to a platform.
- Jobsite Expectations & Safety: Learn what's expected on a construction site, from safety to work ethic.
