

Coastal Villages Recruitment

Coastal Alaska Premier Seafoods, a subsidiary of Coastal Villages Region Fund, is currently seeking applications for a Seafood Processor to work aboard the F/T Northern Hawk.

The primary job responsibilities of this position include, but are not limited to, working on-board our fishing vessel. The Processor is responsible for converting raw fish products into a processed, high quality product ready for sale. The Processor may sort fish by species, tend and operate machines, hand fillet whole fish and inspect the product to meet CAPS standards of quality. Also, they may be responsible for packaging, weighing, labeling, placing the product into freezers, loading and unloading supplies on the vessel, cleaning factory equipment and performing other duties as assigned.

Previous processing experience aboard a factory trawler strongly preferred.
