

Silver Bay Seafoods NOW HIRING

Production Manager at various locations

As the **Production Manager** at one of our Alaska seafood processing facilities, you are responsible for overseeing all aspects of production, from raw material intake to finished product packaging. The Production Manager is responsible for optimizing production efficiency, ensuring product quality, and maintaining

compliance with food safety regulations. Your key duties include managing production schedules, supervising production workers, and troubleshooting equipment malfunctions. Additionally, you will play a crucial role in implementing and maintaining quality control measures, ensuring that the final product meets stringent industry standards.

APPLY ONLINE: <https://careers.silverbayseafoods.com/job/PRODU001368/Production-Manager>

Education and experience:

- BS/BA degree preferred.
- 5-plus years of experience in seafood or food manufacturing management in positions of progressive responsibility.
- Extensive experience working in various roles such as production, quality control or management, is crucial.
- 3-5 years of seafood industry leadership experience required. Proven experience in managing and leading teams.
- Prior production and food safety training and certifications are preferred.
