

Recruiting

**AT-SEA SEAFOOD
PROCESSORS**

NOW

RECRUITMENT:
10 a.m.-noon
Thursday,
April 23, 2026

**Anchorage Midtown
Job Center,**
3301 Eagle St., Room 102

American Seafoods operates a fleet of six fishing vessels in the sustainable fisheries of the Bering Sea and the North Pacific Ocean. We are the world's largest at-sea processor of Wild Alaska Pollock and hold the largest allocation of Wild Pacific Hake (Whiting). Our quality-assured products are distributed around the globe.

Seafood processors work aboard at-sea processing vessels in the waters of the Pacific Ocean, Gulf of Alaska, Bering Sea, and the Aleutian Islands to convert raw fish products into a processed, high-quality product ready for sale. The work is strenuous and sometimes hazardous, with the vessel operating in all types of weather conditions.
