you join our team. If you
envision yourself in this role
and are ready to start an
exciting career with us, apply
today. This position is open
to Alaska residents only.

FOR MORE INFORMATION:

Mary Murray, mary.murray@alaska.gov

What you will be doing:

As an entry-level eligibility position, you will handle case management and workflow characterized by limited interpretation and application of policies and procedures. As the first point of contact for clients across all access points (e.g. Virtual Contact Center, lobby, and non-lobby), the ET1 performs entry-level, technical eligibility determination work that requires applying attention to detail, following policy, regulations, and processes to ensure Alaskans in need receive timely determinations of benefits, correct information, and guidance to resources.

Alaska's Employment Services program is 100% funded by U.S. Department of Labor through an award of \$7,259,152. We are an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.
